Dear Parents/Carers,

Another term comes to an end. We have had a very busy and productive time since the beginning of January. We have welcomed many visitors, including groups from Bankview High School; link workers from Mencap; OKUK and the ADHD Foundation and many parents and carers. Pupils have taken part in sporting activities such as boys and girls football competitions and swimming galas. We also had a very exciting visit from the Hung Gar Kung Fu Group to help us celebrate Chinese New Year.

Our year 10 and 11 pupils continue to work hard on all their coursework and examinations, with Y11 final exams in May.

As you will know, we had a visit from OFSTED last week. The inspectors were very impressed with the welcome they received from your children and complimented them on their good manners and humour. The report will be available after Easter.

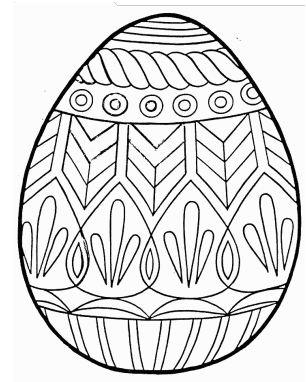

May I take this opportunity to thank all the many parents, carers and members of our community who offered support and spoke to the inspectors.

Wishing you all a happy and safe holiday (with sunshine, we hope!)

We will welcome the new term in, on Tuesday 16th April.

Kind regards.

Mrs C Piercy
