

Spring 2014.

Dear Parents and Carers,

Welcome back to a busy Spring Term at Aigburth High School. I hope that everyone had a restful holiday and we are ready to face the challenges 2014 will bring.

This term, we have a big focus on raising attendance and improving punctuality. We know this is very important for our pupils as missed school days mean lower grades. We will be looking for ways to support all our pupils to be in school every day. Our Educational Welfare Officer, Mrs Marsh, will be helping us to do this.

Another great way to help our pupils to achieve is through supporting reading. We set aside special time for this in school each day and it would be great if parents and carers could encourage some reading at home, whether books, magazines, newspapers or anything of interest. If you feel you would like some help with this, do not hesitate to contact your child's form teacher.

This term, our Year 11 pupils will be very busy indeed. From now until they leave at the end of June, they will be completing coursework and preparing to sit final exams. School will send details of exam dates home nearer the time and we ask that any work sent home to be finished should be returned to school promptly.

This term's Topic for Year 6, 7 and 8 groups is RAINFORESTS. This will give lots of opportunities for exciting cross curricular work in many subject areas. Watch out for T.V. programmes which might support the topic!

With regard to our New Build, we are expecting a further update in the coming weeks. We will put any new information onto the Parents and Carers section of the school website as soon as we have it.

Kind Regards,

Mrs C. Piercy
