Chair of Governors:
Paul Rowlandson

28/11/19

Dear Parents/Carers,

May I offer you my sincere thanks, for your patience and understanding, during the recent school closure due to Norovirus. I am most grateful to the many of you who have enquired about the wellbeing of staff and pupils and who have supported the difficult decision to close the school to allow for a deep clean to take place. Thanks also to those who are following Public Health advice and keeping their child off school if they are symptomatic of infection. This is the only way the spread of the virus can be prevented.

The safety and health of our vulnerable pupils is always Governors' paramount concern. Hopefully, we will now begin to get back on track and we will all be well in time for our Pantomime, Christmas Dinner and the holiday.

Our planned Parents Evening and the Awards Assembly for last year's Year 11 pupils will now take place in January. Dates will be sent out as soon as we have them.

I am sending out Public Health advice on management of infection, should your child become unwell.

Kind regards.

Mrs C. Piercy.
