Dear Parent/Carer,

I am writing to inform you that the Governing Body and I, with the support of Liverpool City Council, have taken the decision to close Childwall Abbey School from the end of the school day (18/03/20) until further notice.

As you are aware, the whole country is in the grip of a COVID-19 epidemic which is putting extraordinary pressures on every aspect of our lives.

N.B WE DO NOT HAVE ANY DIAGNOSED CASES OF COVID-19 AT C.A.S

Increasing staff absences, due to self-isolation and underlying medical conditions, mean that we are no longer able to provide an appropriate level of staffing to guarantee the safety and specialised care our vulnerable pupils receive. A very significant number of parents and carers have already taken the decision to self-isolate or keep children at home to protect them.

All our pupils will be given a pack of work to bring home. Hopefully this will help them maintain some focus on school work during what may be a long closure. This can never replace daily classroom teaching and support by experienced and well qualified staff. I would suggest that a regular time each day is set and to use the materials rather than rushing through it. All pupils will be able to use My Maths if they have internet access. There are a number links to useful sites on our website Students page. Please check from time to time during the closure for updates.

You will be able to contact school in an emergency via our admin email: info@childwallabbeysschool.net or in the case of a safeguarding concern via safeguarding@childwallabbeysschool.net

(Please do not telephone school as the building will be closed).

If we need to update you urgently at any point, we will use our text message service and our website Home page.

The decision to close school is not one which has been taken lightly. I very much hope that we all follow the latest Government advice, stay well and will be able to re-open school before too long.

With very best wishes and thanks for your support,

Kind regards

Mrs C.M.Piercy
