COVID 19 ADVICE CONTACTS

Due to the rapidly changing advice on Covid-19, managers should ensure they review safe working procedures and protocols daily, until such time when it is deemed unnecessary.

SLT meeting at 8.30am on Monday and at the end of each day to review. Headteacher will refer to current NHS Advice, web; <https://111.nhs.uk/covid-19> or telephone 111. The DfE are providing COVID-19 advice Phone: 0800 046 8687 or Email: DfE.coronavirushelpline@education.gov.uk

Headteacher will refer to current PHE (Contact Tel: 0344 225 0562) Guidance <https://www.gov.uk/government/collections/phe-north-west-advice-support-and-services> and if necessary Occupational Health Department advice (0151 233 3000) regarding exclusion from school premises for a recommended period of time.

Pupils, staff, visitors who are symptomatic will not be allowed to attend school.

Pupils, staff with household members who are exhibiting symptoms will not be allowed to attend school and will be requested to isolate as per national guidance

Managers must also review all of the following applicable individual risk assessments where relevant:

- New and expectant mothers
- Extended duty of care
- Stress
- Individual Pupil assessments
- **BAME persons.** *Public Health England* has reported that people from ethnic minorities are at a higher risk of dying from coronavirus. **To understand the initial conclusions read the report** (link below). **There are complexities and negative outcomes are likely to be due to a combination of factors** <https://www.gov.uk/government/publications/covid-19-review-of-disparities-in-risks-and-outcomes>

Covid-19 specific extended duty of care risk assessment considered and carried out where relevant for all staff and pupils meeting the following criteria:

- Vulnerable member of staff who has received a Government shielded letter.
- Staff who have an extremely vulnerable household member – see above
- Pupil who is extremely vulnerable or a pupil who lives with an extremely vulnerable household member.

Formal process in place for manager/colleagues to contact the colleague/pupil if required, as detailed within applicable risk assessment above.

Notes:

- For pregnant women from 28 weeks' gestation, or with underlying health conditions such as heart or lung disease at any gestation, a more precautionary approach is advised. Women in this category should be recommended to stay at home. **This is a recommendation for Health Care Workers on 'the front line'** dealing with Covid-19 patients. See Covid-19 *virus infection and pregnancy* (Royal College Of Obstetricians & Gynaecologists). Currently, there is no

evidence to suggest that COVID-19 causes problems with the baby's development or causes miscarriage. *2.2 Risk to Baby*

- Ensure staff members identified as extremely vulnerable (shielding) have appropriate work arrangements made i.e. work from home and do not present themselves at the workplace (see guidance sheet). **Since 1st August 2020 all members of staff are now expected to attend work with suitable reasonable adjustments following risk assessment.**

Due to the rapidly changing advice on Covid-19, managers should ensure they review safe working procedures and protocols daily, until such time when it is deemed unnecessary. ***See P 2 Covid Advice contacts***

Personal Protective Equipment (PPE)

Note from LCC Reopening School Provision Guidance V2

The majority of staff in education, childcare and children's social care settings will not require PPE beyond what they would normally need for their work, even if they are not always able to maintain distance of 2 metres from others.

PPE is only needed in a very small number of cases:

- **children, young people and learners whose care routinely already involves the use of PPE due to their intimate care needs should continue to receive their care in the same way**
- **PPE should be worn if a distance of 2 metres cannot be maintained from any child, young person or other learner displaying coronavirus symptoms**

<https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe>

There is an adequate supply of disposable PPE, as per specific task requirements, and all staff provided with instruction in the correct use and fitment:

Latex free gloves

Antibacterial hand wash/hand soap

Alcohol sanitiser hand cleaner

Disposable aprons

& other PPE as recommended by PHE/HSE/DfE eg safety goggles or face visors

LCC have issued all schools with supplies including:

- **300ml bottles of hand sanitiser**
- **disposable face masks**
- **pairs goggles**

All children to return in September 2020. Pupils in Form group “bubbles” supported by 2 staff in classroom (additional staff to provide breaks).

Classrooms have been laid out (with marking tape) so that social distancing form staff can be maintained where possible. **Childwall Abbey classroom desks & chairs have been laid out with the lead staff member having a 2.5m wide working zone area at their normal teaching position. Seating plan in place – designated pupil places to be identified by Form “bubble” staff.**

All desks face the same direction i.e. front of the classroom.

Windows and doors will be opened during lesson times to allow for ventilation of the room

- Pupils will then be kept in their small groups (‘bubbles’) and should not mix with other groups during the day.
- **Where possible, the group should be allocated one classroom to contain the potential spread of the virus until restrictions are lifted**
- Wherever possible, staff supervising a cohort should also remain within this ‘bubble’
- **Staff breaks are embedded within the modified timetable. 3 rooms are allocated for this purpose. (Cleaned throughout day) Staff/pupils are not to have drinks (hot or cold) out around the classroom.**
- **All staff and students must wash their hands regularly throughout the day particularly before and after eating and at the start and end of activities.**
- **Childwall Abbey break-times will be staggered to ensure students keep a safe distance.**
- **Equipment i.e. keyboards, laptops, iPads, etc., should be cleaned throughout the school day (to be monitored by “bubble” staff). Equipment allocated to bubbles.**

Classes should be kept together and mixing with other classes minimised, as much as possible.

Start & end of the school day; pupils should go directly to their ‘bubble’ classroom from the main entrance and be collected / leave from the main entrance under supervision when their transport arrives. Staff should keep a minimum of 2 metres when collecting and releasing students to their parents Pupils must remain in their bubble until called by designated staff via intercom. Parents/carers/transport staff to wait in their vehicles when dropping off and collecting pupils. AEP pupils to attend as normal following providers appropriate risk assessment.

Within Secondary Schools and College settings there will be a requirement for subject specialist rotation of staff; this will be managed to limit mixing as much as possible. **A modified curriculum and**

Staff will be provided with necessary resources to clean and sanitise their workstation (including chair arms) at the beginning and end of their daily shift. Additional cleaning stations are to be provided for staff to use and replenished as required.</p> <p>A clear desk and work surface policy is in place. All work items and belongings are stored in desk pedestals or store cupboards when not in use. Telephones must not be shared and staff should transfer calls rather than pass handsets to colleagues, where possible. Where this is not possible, callers are provided with an alternative number to call back. The use of copiers, printers and shredders is for essential school use only. Where it is essential to use such devices, they should be cleansed after each use. Appropriate signage is installed to advise users accordingly and cleaning materials are available.</p>	COVID-19
4.	Covid 19 virus : Meetings	Staff	<p>All in-person meetings should be avoided whenever and wherever possible. Staff should use other means of remote communication to host meetings where facilities are readily available. Attendance at meetings is limited to those essential attendees only. Critical information is cascaded to other staff. Meeting room capacity is reduced to comply fully with prevailing social distancing measures. Wherever possible, meeting rooms should be adequately ventilated with external windows opened during meetings. Meeting room users advised not to share equipment during meetings i.e. pens, stationery etc. Attendees to remove all items following the meeting. Meeting room users will be provided with necessary resources to wipe down surfaces (including any buttons on IT equipment and remote controls) following meetings. Additional cleaning materials will be provided in all meeting rooms for use by staff and replenished as required.</p>	LOW Under current guidance for COVID-19
